ABOUT COMPANY

Venue Creatives starts its business journey in 2012. During its short journey of period Venus Creatives has made a strong presence in the world of furniture industry and interior designing. Today we proudly say that we are present with hundreds of satisfied customers in all major cities of India. We believe that a beautiful interior design is incomplete without a suitable and attractive set of furniture, so our company offers both these facilities to customers under one roof.

We are always ready to provide our customers all types of furniture for their hotels, banquets homes, restaurants, bars and offices at reasonable budget. Our interior designing team is always ready to do, hassle free world class interior design with new design concepts and the customer's choice.

Although we have a good range of interior designing concepts and designed furniture, but we are always ready to design furnitures and interior as per customers' suggestions and choices.
